Guzzo + Guzzo Architects celebrates over 40 years in business

The architecture firm of Guzzo + Guzzo, a family run business located on Ridge Road in Lyndhurst, has been providing architecture services to commercial, residential, retail, municipal and educational clients in the NJ metropolitan area for over forty years. In Lyndhurst, this second generation firm has designed Lyndhurst Towne Center on Valley Brook Avenue, Veterans Square Shopping Center with ShopRite on New York Avenue, Super Stop & Shop with retail stores on Lewandowski Street, Lyndhurst Health Center and Optimum Orthopedics on Ridge Road. Guzzo + Guzzo's success and longevity is the result of knowledge and skill but also commitment to client satisfaction, professionalism and excellence.

Anthony Guzzo, president and Lyndhurst resident says “this wealth of experience combined with new talent, the latest design technology and strong management allows us to successfully deliver projects that fit our client's needs and goals. We depend on strong organization skills to carry a project from inception through completion with client satisfaction being the ultimate goal.”
